Description

101 INC Patch 3D UV Skull Red Beret #8042

The **101 INC 3D UV PVC Patch Skull Red Beret #8042** is a bold tactical-style morale patch featuring a skull graphic wearing a red beret. The detailed printed artwork combined with a raised 3D PVC structure gives the patch a distinctive and durable design suitable for tactical gear and outdoor equipment.

Made from **UV-resistant PVC**, the patch is designed to withstand outdoor use while maintaining its colors and structure. The **hook and loop backing** allows easy attachment to compatible panels on backpacks, jackets, plate carriers, caps or airsoft gear.

Key Features

- **Durable UV-resistant PVC** material
- **Raised 3D design** with printed skull and red beret artwork
- **Hook and loop backing** for quick attachment and removal
- **Lightweight** and suitable for tactical gear or backpacks

About 101 INC

101 INC is a recognized brand in the tactical and airsoft world. The brand focuses on practical gear and accessories designed for both dedicated airsoft players and outdoor enthusiasts who enjoy adventure and adrenaline-filled activities.

FAQ

How is the patch attached? Hook and loop backing, allowing it to be easily attached to compatible panels on tactical gear, jackets, backpacks or caps.

Is this patch embroidered? No, it is printed. Printed patches are generally more resistant to moisture, dirt and wear than embroidered patches.

What size is the patch? Approximately 9.2 × 7.9 cm.

Glossary

- **PVC patch:** Patch made from flexible plastic material known for durability and weather resistance.
- **Hook and loop:** Fastening system used for removable patches on tactical gear.
- **Morale patch:** Decorative patch used to personalize equipment or express identity and style.
