Description

101 INC Patch 3D UV Skull Vietnam Ace #8039

The 101 INC 3D UV PVC Patch Skull Vietnam Ace #8039 is a striking tactical-style morale patch featuring a skull wearing a combat helmet with the handwritten phrase "Born to Kill". The design references classic Vietnam War imagery known from the movie *Full Metal Jacket*.

Made from durable **UV-resistant PVC**, the patch features a raised 3D construction with detailed printed artwork. The hook and loop backing allows quick attachment to tactical gear, backpacks, jackets or airsoft equipment.

Key Features

- Durable UV-resistant PVC construction
- Raised 3D design with skull, combat helmet and cigar graphic
- Hook and loop backing for easy attachment and removal
- Lightweight and suitable for tactical gear or outdoor equipment
- Distinctive morale patch design

About 101 INC

101 INC is a well-known brand in the tactical and airsoft world. The brand focuses on practical gear and accessories for both dedicated airsoft players and outdoor enthusiasts, creating equipment designed for demanding and adventurous environments.

FAQ

How is the patch attached? Top backing, allowing it to be attached to compatible panels on tactical gear, jackets, backpacks or caps.

Is the patch machine ordered? with printed graphics, which makes it more resistant to moisture, dirt and wear compared to embroidered patches.

What size is the patch? Approximately 9.4 × 7.9 cm.

Glossary

- **PVC patch:** A patch made from flexible plastic material known for durability and easy cleaning.
- **Hook and loop:** Fastening system commonly used for removable patches on tactical gear.
- **Morale patch:** Decorative patch used to personalize equipment and express style or attitude.
