Head lamp made from ABS plastic with 3W LED as well as auxiliary LEDs, 65 lumens.

Description

Description

Super bright, easy to wear headlamp

Headlamps are popular not only with runners and cyclists, but also in industry, rescue services, mountaineers, traders, technicians, emergency services, as well as camping, climbing or fishing: both hands remain free and the light is always just right. the right place! The ABS plastic body provides the required level of robustness and a pleasant feel. Optimum lighting thanks to the high-efficiency reflector system. At 100% mode, the 3W main LED provides up to 4.5 hours of battery life and up to 70 lumens of brightness. in 25% mode up to 36 hours and 16 lumens. Both additional LEDs will last up to 13 hours at 12 lumens.

Adjustable lamp head and headband. The individually adjustable angle of the lamp head and the universally adjustable headband guarantee optimal lighting in all situations.

Ultra-light, easy-to-wear headlamp.
