**Sales price 19,99 €**

Salesprice with discount

Incl. VAT 21%: 3,47 €

Input connectors	USB-A, USB-C
Output connectors	USB-C (60W), Lightning (27W)
Data transfer	480 Mbit/s (USB 2.0)
Cable length	120 cm
Charging protocol	USB Power Delivery Profile 3
Cable material	Textile braided, magnetic structure
Operating temperature	-20 to +50 °C
Storage temperature	-30 to +70 °C
Color	Black

### Care and Maintenance

- Keep magnets clean and free from dust or debris.
- Avoid sharp bending near connectors.
- Do not expose to direct heat sources or moisture.
- Disconnect when not in use to prolong cable life.
- Store in a cool and dry place.

### Regulations and Standards

- Supports USB Power Delivery Profile 3 for fast charging.
- Complies with European electrical and consumer safety standards.
- Constructed with temperature-resistant materials and tested for durability.

### Other Useful Information

This cable is ideal for users who frequently switch between devices or platforms. It replaces multiple charging cables with one compact accessory. The magnetic construction eliminates tangling issues and allows quick packing into pockets, desk drawers, organiser pouches or travel bags. Its textile braiding enhances durability and gives the cable a premium feel suitable for both business and casual environments.

Thanks to its dual connectors on both ends, this 4in1 cable covers nearly all modern portable devices, offering both convenience and performance in one solution.

### Glossary of Terms

- **USB Power Delivery (PD):** A fast-charging system that negotiates optimal power between charger and device.
- **Lightning:** Apple's proprietary connector used in many iPhone and iPad models.
- **USB-C:** A reversible connector standard used by modern smartphones, laptops and accessories.
- **Magnetic cable:** A cable with integrated magnets allowing automatic organisation and adjustable length.
