A tactical flashlight that combines a wide and long-range beam. Optimal decision for those, who can't choose between Armytek Viking and Armytek Predator.

# Description

- The newest Cree XP-L LED and designed smooth reflector give distinct hotspot and minimal spill for directed aim illumination
- Compact and light-weight flashlight with good price
- · Active real-time temperature control without timers: after coolingdown the brightness increases again
- Easy control with auto memorizing of last used mode and lock-out function from accidental switching on
- Compatibility with the accessories for hunting remote switches and mounts
- The highest standard of durability stands up the recoil of 12 gauge shotgun, no-break operation after falling from 30 meters height
- The flashlight works for more than 5 hours at 50 meters depth
- Record runtimes in all modes
- Record runtime with 1x18650 Li-Ion battery in all modes

### Batteries are not included in the package.

Brand country - Canada
