## Description

### Cleaner for Brakes and Metal Parts

This high-performance cleaner is specifically designed for the effective cleaning and degreasing of brakes, brake discs, and industrial machine parts. It easily removes oils, grease, dirt, and even dried-in, resinified oils and brake dust. The cleaner flashes off without leaving any residue and comes with a pleasant citrus fragrance for a better user experience. Its strong spray stream ensures optimal coverage and cleaning power.

### Key Features:

- **Effective Cleaning Power:** Removes oils, fats, dirt, dried-in resinified oils, and brake dust, as well as graphite, molybdenum, copper, and aluminum assembly pastes.
- **Acetone-Free Formula:** This cleaner is acetone-free, making it safer for various surfaces while ensuring no damage to lacquer, varnish,

and synthetic fibers.

- **Citrus-Powered Degreasing:** Contains natural citrus extracts, which efficiently eliminate organic residues such as grease.
- **Residue-Free Drying:** Flashes off without leaving any unwanted residues, ensuring a clean finish.
- **Material Compatibility:** Perfectly suited for lacquer, varnish, and plastics, providing versatile cleaning across different surfaces.
- **Extra-Strong Spray Stream:** Delivers a powerful spray for more effective cleaning, even in tough-to-reach areas.

### Special Characteristics:

- Free from silicone, PTFE, and acid
- Safe for most materials, including painted and plastic surfaces
- Temperature range: -5°C to +40°C

### Available Sizes:

- 500 ml Spray (Art.-Nr. 25340)
- 5 Liter Canister (Art.-Nr. 25346)

### Usage Instructions:

- Spray evenly on the area to be cleaned and allow the product to work for a few seconds.
- Wipe off any remaining dirt with a clean cloth.
- Do not use on hot surfaces or in direct sunlight.

### Safety Information:

- Extremely flammable aerosol. Pressurized container may burst if heated.
- Causes serious eye irritation and skin irritation.
- May cause drowsiness or dizziness.
- Keep out of reach of children. Use only in well-ventilated areas. Wear protective gloves and eye protection.
- Toxic to aquatic life with long-lasting effects.
- If in eyes, rinse cautiously with water for several minutes. If irritation persists, seek medical advice.
- Dispose of contents/container according to local regulations.

### Environmental Impact:

Made from environmentally conscious materials, this product is free of animal oils and contains no acetone, making it safer for the environment while still providing strong cleaning performance.
