Description

Ballistol Handsdisinfection is a highly effective alcohol-based antiseptic (Ethanol 80% V/V) designed for hygienic and surgical hand disinfection. It complies with VAH methods, EN 1500, and EN 12791 standards and is suitable for use in all areas of human hygiene.

Key Features:

- **Alcohol-Based Formula:** Contains 80% ethanol (v/v) for effective disinfection.
- **Broad Spectrum Protection:** Effective against bacteria, fungi (yeast), and enveloped viruses such as SARS-CoV-2 (COVID-19).
- **Moisturizing Agent:** Contains a skin-friendly moisturizing ingredient for frequent use without skin irritation.
- **Dispenser Compatibility:** Compatible with most commercially available Euro dispenser systems (available in 500 ml and 1 liter sizes).
