Description

Professional cleaning set for glass and mirror surfaces. This premium set is ideal for use in vehicles, households, and industrial settings. The microfiber cloths are designed for pre-cleaning and polishing, ensuring a streak-free, brilliant shine on all glass and reflective surfaces.

Key Features:

- **Set Includes:**
 - Beige waffle microfiber cloth (40 x 50 cm) for picking up coarse dirt, such as on window frames, windscreens, and shop windows.
 - Blue silk-like microfiber cloth (35 x 60 cm) for polishing glass surfaces without leaving streaks.
- **High Absorbency:** Both cloths offer excellent absorbency, ensuring no water stains are left behind.
- **Streak-Free Shine:** Achieves a flawless, streak-free finish on all glass and reflective surfaces.
- **Good Grip:** Both cloths are easy to handle, lint-free, and silicone-free.
- **Environmentally Friendly Packaging:** Comes in a folding box with Euro punchhole and window, including language information in
