The Centurio 45 adds to our MMPS (Multi Mission Pack System). Designed as a modular system the MMPS side pockets integrate with the Berghaus Crusader and Centurio sacs to offer a flexible pack system supporting different mission requirements.

Description

New Product: Berghaus MMPS Centurio IV 45 FA Army Backpack

The successful Centurio II 45 from the MMPS range, now with a front access (FA) zipper to quickly grab kit stored inside. A hidden pocket on the front access flap holds a smart mesh pocket that can store anything from a helmet to a jacket. The adjustable shoulder harness allows for additional space when carried over a bulletproof vest.

Family

- MMPS

Carry System

- Cyclops II Back-System

Features

- Back panel with ventilation channel
- Internal (removable) aluminium frame for load support
- Hydration system compatible

About Berghaus Tactical

Berghaus' innovative design provides high quality, high performance, durable and reliable outdoor wear. It is these values that align with the demands put on military product, resulting in specific products being designed and manufactured by Berghaus. The Crusader and Vulcan rucksacks have become iconic packs used by assault regiments to carry massive loads of equipment and supplies. Berghaus/GORE-TEX® apparel, footwear and accessories have played a key role in protecting the military when fighting under extreme conditions and in an arctic environment.

We are proud to work with NATO and other international forces in producing high performing top quality gear. The Berghaus motto "Trust is earned" is part of our DNA.
