Description

Inspired by light found in nature, AlpenGlow 500 delivers bright illumination or colorful ambience depending on your mood or task. Featuring ChromaReal LED technology, true-tone light renders colors accurately in low light conditions so you can ditch the harsh glares and enjoy a light that is truly fun and functional.

Features:

- White light and color modes with memory of last chosen light mode
- Family friendly - easy to use even for kids
- Use it as a power-bank with integrated 6400 mAh Li-Ion battery
- Universal use - use it in camping and around the house
