Description

HeadLamp 800 Pro Performance USB HeadLamp - 800 Lumens

The **HeadLamp 800 Pro** is a pro-level headlamp designed for high-performance outdoor activities, all packed into an ultra-compact and comfortable design. With 800 lumens of brightness, constant mode control, and 8 different lighting modes, this headlamp ensures you're ready for any adventure. Thanks to BioLite's 3D SlimFit Construction, the headlamp integrates electronics directly into the band for a truly wearable experience that won't slip or bounce as you move.

Key Features:

- **Super Bright 800 Lumens:** Offers maximum brightness for any adventure or task.
- **3D SlimFit Construction:** The integrated design moves with you, providing a balanced and nearly weightless feel.
- **Moisture-Wicking Smart Fabric:** Keeps you dry and comfortable, even during extended use.
- **Constant Mode:** Provides steady brightness without dimming unless you decide to lower the light, ideal for technical terrain or pitch darkness.
- **Pro-Level Features:** Includes Pass-Thru + charging, rear red visibility light, and a burst mode that reaches 800 lumens for 30 seconds.
