## Description

The extremely slim CEO by Richard Rogers expands CRKT's leadership range and is now available in another variant with a practical flipper. The gentleman's pocket knife proves its leadership qualities with a ballbearing AUS-8 blade that is securely locked by a linerlock. The knife can not only be carried classically in the trouser pocket, but also like a ballpoint pen in the shirt pocket thanks to its light weight. The sturdy handle made of lightweight FRN is equipped with a convertible clip (tipup/l-r).
