Warranty	2 years - defects / workmanship

Pop-Up + Quick-Lock explained

Pop-Up combines Z-fold compactness with telescopic height: unfold, hook walls, pull the chimney collar until the spring pin clicks - stove is rigid. After the first burn-in the steel "remembers" its curves, making next assembly effortless.

Safety & operation

Always use a heat-proof mat and spark guard in tents; route the flue through a proper jack. Full GPSR-compliant instructions & precautions: [bushmen.pl / safety PDF](http://bushmen.pl/safety/PDF).

Bundle contents

- Combustion chamber
