Description

The Boker Arbolito Relincho is a classic hunting knife in full tang construction, providing an extremely high level of stability. The tapered tang ensures excellent ergonomics and perfect balance. The handle scales are made of noble guayacan ebony wood which are securely attached to the tang with attractive mosaic pins. The red fiber underlay under the handle scales creates an elegant contrast. The finely ground blade is made of Böhler N695. Delivered with high-quality sheath of selected Argentinean cowhide.
