knife to slip.

- **Drop hazard:** Do not leave the knife unsecured or near edges.
- **Dull blades:** Require more force and increase injury risk. Sharpen regularly using appropriate tools.
- **Intended use only:** Do not use the knife as a pry bar, screwdriver, or lever.

## Frequently Asked Questions

What makes the blade special? The blade is made from powdered metallurgy Damascus steel from Sweden, offering excellent corrosion resistance, edge retention, and distinctive patterning.

Is the knife suitable for everyday carry? Yes, the knife is fully functional for EDC, combining slim carry comfort with dependable cutting performance.

Is the knife foldable? Yes, the knife features a removable tip-up pocket clip for discreet carry.

## Glossary

- **Damasteel** - Swedish stainless Damascus steel made using powder metallurgy.
- **Flipper** - A protruding tab that allows quick one-handed blade opening.
- **Liner lock** - A lock where a spring liner engages the blade tang when open.
- **Gentleman Folder** - A slim, refined pocket knife designed for discreet everyday carry.
