Les Stroud is a Canadian survival expert, filmmaker and musician best known as the creator, writer, producer, director, cameraman and host of the television series Survivorman. Les Stroud is the designer of this Camillus knives series, and, of course, tester.

Since 1876, Camillus Cutlery has been supplying the world with reliable, innovative and quality-made knives that have survived the true test of time. As one of the oldest knife manufacturers, Camillus Cutlery has always answered the call for quality and will continue to do so with our hunting, fishing, sporting and tactical knives.

Camillus products are made of Carbonitride Titanium™ cutlery-grade steel and are through-hardened to hold an edge. Camillus knives will withstand the impossible task and continue delivering over extended use.
