Camillus... Unparalleled, Unprecedented and Unleashed.

Since 1876, Camillus Cutlery has been supplying the world with reliable, innovative and quality made knives that have survived the true test of time. As one of the oldest knife manufacturers, Camillus Cutlery has always answered the call for quality and plans on continuing to do so with their hunting, fishing, sporting and tactical knives.

Craftsmanship with a worldwide following - it's been the Camillus way for over 130 years.

Camillus products are made of Titanium Bonded cutlery-grade steel and are through-hardened to hold an edge.

At Camillus the legendary products are supported by an equally legendary promise. If your Camillus product fails to perform due to defects in materials or workmanship, they will replace it regardless of age. Normal wear, sharpening, industrial use or abuse, misuse or neglect is not covered. Defective products will be repaired, replaced or substituted with the same product or one of equal value. Send the product in its original box for proof of purchase along with an explanation of defect. Other consumer rights may vary from state to state. Replacement blades are excluded from the lifetime warranty.
