Description

The Lumé Series COB LED Lighted Hands-Free Magnifiers provide clarity and precision for various tasks like reading, crafting, jewelry inspection, and more.

Features: Hands-Free Design: Ideal for activities where you need both hands free, such as crafting, painting, or DIY projects.

Adjustable Lighting: Equipped with three ultra-bright COB LED lights and adjustable brightness settings for optimal illumination and reduced eye strain.

Diffused Light: Reduces distortion and hot spots, ensuring even light distribution for clear visibility.

Energy Efficiency: Powered by 2 AAA batteries (not included), with COB LEDs being brighter and more power-efficient than traditional LEDs.

Comfort and Convenience: Ergonomic Design: Features a neck strap and rubberized grip for comfortable extended use.

Multi-Position Switch: Allows adjustment of illumination to suit various needs.

Applications: Reading: Enhances visibility of fine print in books, newspapers, and magazines.

Crafting and Hobbies: Perfect for detailed work like jewelry making, sewing, and model building.

Low Vision Aid: Useful for individuals with low vision to improve daily activities.

The magnifiers are designed to make tasks requiring precision and clarity easier and more comfortable, making them valuable tools for a range of
