Description

The SL-55, LEDSight Pro™ Mini LED Flashlight with glow-in-the-dark handle for low-light use. It has nine LED bulbs and two brightness settings to accommodate various needs. The glow-in-the-dark, gray rubber grip ensures you'll never misplace the LEDSight Pro^{m} Flashlight. It is made of aluminum alloy which means it's lightweight yet durable. This flashlight is great for everyday uses and is small enough to take with you anywhere. It comes with a handy attached carabiner clip, so you can clip it to your backpack, tuck it away in your pocket, or just keep it in a glove compartment, kitchen drawer, or toolbox. It is extremely portable and easily accessible so you'll have it wherever and whenever you need it. Uses 3 AAA batteries (not included).
