Description

Work socks Comodo SBBH from the Basic series designed for work in the spring and autumn season.

In the production of socks, the greatest attention was paid to convenience and comfort of use.

Hence the use of natural materials - cotton, which is pleasant to the touch, durable and absorbs moisture well.

Five specially designed zones ensure comfort and increase the comfort of work.

They stabilize the sock on the foot, reduce the pressure exerted by footwear, and prevent the material from pilling.

SBBH are socks that will withstand the toughest conditions, ensuring comfort and convenience.

Main advantages:

- 65% high-quality cotton
- pleasant to the touch material
- smoothed seams around the fingers
- good fit to the foot
- soft welt

5 special zones increasing wearing comfort :

- **pressure zone** - distributes the load, reduces friction
