Description

This keychain is much more than just a toy. In an emergency situation, the K.E.R.T. (Keyring Emergency Rescue Tool) becomes the helper in distress. The sharp blade cuts seat belts, textiles or string in the blink of an eye and can be compactly stored next to your car key or house keys. The tool is made of 8cr13MoV. Additional useful features are the flat-head screwdriver, the 1/4" bit holder and the bottle opener. Provide for tomorrow today!
Total 6.3 cm. Thickness 2.5 mm. Weight 23 g.

CRKT

Columbia River Knife and Tool was founded in 1994 in Oregon and cooperated early with well-known knife makers from all around the world. Innovation and technological development are the most important aspects for CRKT. A large number of patents have already been submitted, such as frame locks, new opening assistants and a new blade grinds. Today CRKT is to one of the most famous and important knife brands in the world.
