Description

DEFCON 5 Low Profile Elastic 5.56 Double Magazine Pouch

The **DEFCON 5 Low Profile Elastic Double Magazine Pouch** is designed for long weapons and is fully compatible with 5.56 caliber NATO standard magazines. Its elastic structure securely holds two magazines in place without the need for additional release mechanisms, making it an ideal choice for quick and efficient reloading in high-stress situations. With its MOLLE-compatible design, this pouch can easily be attached to tactical vests, belts, or backpacks.

Key Features:

- **Elastic Design:** The pouch securely holds two 5.56 caliber magazines without needing additional release systems, providing easy and quick
