## Description

**For professional sharpening results, regardless of skill, depend on DMT® Aligner™ Kits and Accessories.**

The Deluxe Aligner™ Kit includes three 4" Diamond Whetstones™, a Fine Diamond Serrated Knife Sharpening Accessory to hone serrated edges, and a fabric storage pouch in which to carry the Aligner™ components. Easy-to-follow instructions included.

**Kit includes three Diamond Whetstones in the following grits:**

- Coarse diamond (45 micron / 325 mesh) to quickly restore a neglected edge
- Fine diamond (25 micron / 600 mesh) for a razor sharp edge
- Extra-Fine diamond (9 micron / 1200 mesh) to polish and refine a razor edge after sharpening with a coarser diamond stone

Sharpening with diamonds is fast and easy. No messy oils needed -- sharpen dry or with water. Durable construction will provide years of consistent
