Description

The Aligner™ Interchangeable Stone Holder may be used with other brands of knife clamps. It comes with one 4" Fine Diamond Whetstone™ (25 micron / 600 mesh) for a razor sharp edge. Easy-to-follow instructions included. Sharpening with diamonds is fast and easy. No messy oils needed -- sharpen dry or with water. Durable construction will provide years of consistent performance and reliable service. For proper tool maintenance, woodworkers, chefs and other professionals rely on the superior quality and versatility of DMT® products. Made in USA.

Related Item: [4" Diamond Whetstone for Aligner™](#)

- Compatible with competitor knife clamps
- Fine diamond grit for a razor sharp edge
- DMT®'s monocrystalline diamond surface sharpens knives faster than conventional stones
- No oil is needed, simply sharpen dry or with water
- Durable construction will provide years of consistent performance and
