### Other Useful Information

The **PVD (Physical Vapor Deposition) coating** enhances durability and resistance against wear and corrosion, extending the blade's service life. The **liner lock system** is a trusted mechanism that secures the blade during use while allowing quick release with the thumb. The ergonomic handle design with embedded clip avoids protrusions, making the knife equally comfortable for right-handed and left-handed users. The **community registered design** ensures its innovative construction is legally protected.
