Traditional, slightly old-fashioned pocket knife.

Description

Fallkniven GPbm Exclusive Pocket Knife (Black Micarta), Lam. CoS Steel

The **GPbm** pocket knife combines timeless design with modern materials and craftsmanship. Featuring a laminated cobalt steel (Lam. CoS) blade and a handle made of durable black micarta, this knife is perfect for everyday carry (EDC) or hunting purposes.

Micarta is a high-performance composite made from phenolic resin and materials like canvas or paper. This results in a strong, textured material that not only feels great in the hand but also ensures long-lasting durability. Each handle showcases unique patterns depending on the micarta layers, adding an elegant and modern touch.

Features

- **Blade:** Laminated cobalt steel (Lam. CoS) for exceptional sharpness and edge retention.

ORDER CONFIRMATION

- **Handle:** Black micarta, offering a comfortable and secure grip.
- **Locking System:** Reliable liner-lock, considered one of the strongest locking mechanisms.
- **Adjustable Blade Inertia:** Threaded blade bolt allows you to customize the blade movement.
- **Easy Maintenance:** Designed for easy cleaning; simply rinse under warm water and dry.
- **Portability:** Includes a suede pouch for safekeeping and carrying.

Elegant and Functional Design

The GPbm pocket knife embodies the Gentleman's Pocket Knife tradition, blending classic aesthetics with advanced materials and engineering. Professional hunters have praised the GP series as the ideal folding knife for hunting and outdoor use. Its robust liner-lock ensures safety and reliability during use, while the compact design makes it a perfect everyday companion.

Care Instructions

To maintain the knife's hygiene and functionality:

- Rinse with warm water and allow to dry thoroughly. Avoid using oil or grease, as these can attract dust and dirt.
- Clean the handle with a damp cloth and avoid abrasive cleaners.
- Store the knife in the included suede pouch when not in use.
