Description

Fallkniven NL1L Thor Survival Knife, Lam. VG10W Steel

The **Fallkniven NL1 Thor** is a masterpiece of survival knife engineering, combining unparalleled craftsmanship with premium materials. Designed for heavy-duty tasks, this world-class chopper is as strong and functional as it is visually stunning. Ideal for outdoor enthusiasts, survivalists, and collectors, the NL1 Thor is a knife that exceeds expectations in every way.

Features

- **Exceptional Blade:** Laminated blade with VG10W steel core enhanced with tungsten for superior edge retention and durability.
- **Impressive Blade Thickness:** A robust 7 mm blade provides additional strength, further enhanced by laminate technology offering 20% greater resistance to bending.
- **High-Quality Handle:** Crafted from specially selected oxhide, the handle offers a rugged grip and develops a beautiful patina over time.
- **Convex Edge:** Handcrafted for the ultimate combination of cutting performance and edge strength.
- **Premium Sheath:** Includes a black, high-quality leather sheath for secure storage and easy carrying.

Why Choose the NL1 Thor?

The NL1 Thor is a chopper designed to handle the toughest tasks with ease. Whether you're chopping, slicing, or performing heavy-duty outdoor work, the combination of VG10W steel and convex edge ensures unmatched performance. Its oxbide handle offers a secure grip that improves with time, making it not only a functional tool but also a collectible masterpiece.

Care Instructions

To maintain the exceptional quality of the NL1 Thor, keep the blade clean and dry after use. Regularly apply a light coat of oil to prevent corrosion. Use a diamond whetstone or sharpening steel for sharpening, such as the [Fallkniven DC4](#).

Inspiration

Named after Thor, the strongest and most powerful god of Asgard in Norse mythology, the NL1 Thor embodies strength, durability, and resilience. It's a fitting tribute to the god of thunder, crafted for those who value top-tier quality.
