Description

Fallkniven P3Gic Folding Knife (Desert Ironwood), 3G Steel

The **Fallkniven P3Gic** is a premium folding knife crafted with a blade made from laminated 3G stainless steel and a stunning desert ironwood handle. Designed for hunters and enthusiasts, this knife combines advanced materials, expert craftsmanship, and timeless design, inspired by the renowned knifemaker R.W. Loveless.

The natural desert ironwood handle ensures durability and elegance, with unique patterns and shades making every knife one of a kind. A black cordura pouch is included for easy and secure carrying.

Features

- **Blade:** Laminated 3G stainless steel for exceptional edge retention and strength.
- **Handle:** Crafted from premium desert ironwood, offering a robust and ergonomic grip.
- **Locking System:** Reliable liner-lock mechanism for safe and easy operation.
- **Design:** Open-back handle design allows for easy cleaning, making it ideal for hunting and outdoor use.
- **Portability:** Comes with a durable cordura pouch that attaches

securely to your belt.

Elegant and Functional

The P3Gic folding knife is a modern interpretation of traditional craftsmanship. While no folding knife can rival the strength of a sheath knife, the P3Gic offers unmatched portability, practicality, and reliability in its class. Its laminated 3G steel blade ensures incredible sharpness, while the desert ironwood handle adds a touch of natural beauty and ergonomic comfort.

Care Instructions

To maintain the knife's appearance and performance:

- Clean the blade and handle with warm water and mild soap. Dry thoroughly before storing.
- Occasionally treat the desert ironwood handle with furniture or linseed oil to enhance its luster.
- Avoid lubricating the blade joint, as oil and grease attract dust and dirt.
