Description

Fallkniven PXLcb - Juma Carbon Folding Knife, Elmax Steel

The Fallkniven PXLcb is a modern, slightly larger folding knife designed for daily use, also known as EDC (Every Day Carry). Featuring Swedish Elmax powder steel for the blade and a handle made from durable Juma Carbon, this knife combines practicality with aesthetics.

Premium Features

The blade, crafted from Elmax powder steel, offers exceptional edge retention with a hardness of HRC 61/62, ensuring long-lasting sharpness. The handle scales are made of Juma Carbon, a stable and durable material resistant to various cleaning agents. The unique mineral-resin composition of Juma allows for endless possibilities in patterns and colors, adding a modern and stylish touch to the knife.

Design and Functionality

The knife features a strong liner lock mechanism, providing a safe and reliable way to open and close the blade with one hand. A sturdy, removable
