Description

Fallkniven S1 Forest Knife, Lam. VG7 Steel

The **Fallkniven S1 Forest Knife** is a premium choice for outdoor adventures and fishing, designed to excel in demanding environments. Built with sturdy laminated VG7 stainless steel and a convex edge, the S1 offers unmatched cutting power, durability, and versatility. Whether you're skinning game, penetrating tough materials, or performing mild chopping tasks, the S1 Forest Knife is engineered to deliver superior performance.

Key Features

- **Durable Laminated VG7 Steel:** Offers exceptional edge retention and toughness, ensuring reliable performance for outdoor tasks.
- **Convex Edge:** Provides extra strong cutting power, making it ideal for skinning, slicing, and penetrating tough materials.
- **Modified Clip Point Blade:** Designed for precision and versatility in a variety of applications.
- **Robust Blade Design:** 5mm thick blade resists breakage, even under heavy use, and is long enough for light chopping tasks.
- **Ergonomic Handle:** Checkered Thermorun handle offers a secure grip in all conditions, including when hands are cold and wet.
- **Choice of Sheaths:** Available with a high-quality black leather sheath or a durable Zytel sheath featuring a two-way locking mechanism for
