Description

Fallkniven TH2 - Taiga Hunter Hunting Knife, Lam. CoS Steel

The **Fallkniven TH2 - Taiga Hunter** is designed for demanding hunters and outdoor enthusiasts who value performance and durability. With a blade crafted from laminated cobalt steel (Lam. CoS), this knife offers exceptional sharpness and stability, while its molded Thermorun handle ensures a secure grip in all weather conditions. The TH2 is a versatile and reliable tool for various hunting and outdoor tasks.

Features

- **Blade Material:** Laminated cobalt steel for superior sharpness and edge retention.
- **Handle Material:** Thermorun rubber for excellent grip and comfort in any weather.
- **Edge:** Convex-shaped for enhanced strength and cutting precision.
- **Tang:** Broad tang construction for durability and balance.
- **Sheath:** Secure Zytel sheath with a unique locking mechanism for safe storage and transport.

About the Taiga Series

The Taiga knives are known for their distinctive design, built to meet the
