- Military, paramilitary, and special operations
- Vehicle or aircraft emergency extractions
- Outdoor survival and maritime operations

Glossary

- **N690Co Steel:** Premium cobalt stainless steel offering superior edge retention and corrosion resistance.
- **L.A.W.K.S. Safety System:** "Lake and Walker Knife Safety" mechanism that turns a folding knife into a fixed-blade equivalent for added safety.
- **FRN® Handle:** Lightweight, fiberglass-reinforced nylon for grip strength and visibility.
- **Idroglider® Coating:** PTFE-based coating that reduces friction and protects against corrosion.
- **Glass Breaker:** Hardened N690Co point for emergency glass shattering and rescue operations.
