Glossary

ORDER CONFIRMATION

- **N690Co Steel:** Premium Austrian stainless steel alloyed with cobalt for superior edge retention and corrosion resistance.
- **Black Idroglider®:** PTFE-based coating providing enhanced durability, anti-friction, and non-reflective properties.
- **Forprene®:** Thermoplastic elastomer offering high grip, flexibility, and resistance to temperature and chemicals.
- **Kydex® Sheath:** Lightweight thermoplastic sheath known for its form-fitting retention and resistance to impact and moisture.
- **Glass Breaker:** Hardened steel tip designed to break tempered glass safely in emergency situations.
