---

## ORDER CONFIRMATION

---

- Bushcraft, wood processing and shelter building
- Camping, hiking and extended outdoor trips
- Survival and emergency preparedness
- Field and utility tasks requiring a robust fixed blade

## Care & Maintenance

- Keep blade clean and dry after use; dry thoroughly if exposed to moisture
- Apply light corrosion protection for long-term storage (especially for stone-washed finish)
- Use appropriate sharpening stones – N690Co takes and holds a very good edge

## Manufacturer Details
