## Description

Martial artist Doug Marcaida combines the design of a Karambit with a significantly more EDC-compatible tanto blade, which expands the possible uses of the Dart well beyond pulling cuts. The reversible clip and the patented Emerson Wave opener facilitate individualized carrying and a fast draw. The Dart is therefore a versatile knife that gets the job done during deployments or in everyday use. The [N690](#) blade is engaged by a liner lock. Handles made from durable and grippy [G10](#). Reversible clip (l/r).
