Description

Fosco Combat Scarf - Breathable Camouflage Mesh Veil, 175 x 100 cm

The **Fosco Combat Scarf** is one simple item with dozens of field uses. This fine-weave mesh veil can be thrown over your face, rifle, or optics to help **break up outlines and reduce shine**, while staying highly breathable so you can remain prone for long periods without overheating.

In camp and on the move, it also works as a **neck wrap, shemagh-style scarf, insect screen**, or an improvised cover to keep gear less visible.

Key Features

- **Rapid camouflage:** Drape over head & shoulders or lay across equipment
- **Breathable mesh:** Helps heat and moisture escape while blurring shape
- **Insect barrier:** Fine holes help deter midges and mosquitoes

Field Uses

- Face veil for stalking, observation posts (OP), and static duty
