Description

Fostex Leather Winter Gloves – Outdoor Cowhide Gloves with Thinsulate

The **Fostex Leather Outdoor Gloves** are designed to provide warmth, durability and reliable grip in cold weather conditions. Made from **cowhide leather** and equipped with a **Thinsulate lining**, they offer comfort and protection for everyday outdoor use during winter.

Warm and Comfortable in Cold Conditions

The gloves feature a **3M Thinsulate liner**, helping to retain warmth while maintaining flexibility. This makes them suitable for extended use in low temperatures without sacrificing dexterity.

- **Thinsulate insulation** for effective heat retention
- **Comfortable inner lining** for daily wear
- **Suitable for winter conditions**

Durable Leather Construction

Constructed from **durable cowhide leather**, the gloves provide a solid grip and good resistance to wear. The leather surface improves handling when working with tools or equipment.

- **Cowhide leather** for durability
