Scandinavian-inspired designs. He began making knives in 1989 and has since collaborated with numerous international brands, creating practical tools that combine minimalist aesthetics with high performance.

About Fox Knives

Fox Knives was founded in 1977 by Oreste Frati in Maniago, Italy, one of the most famous knife manufacturing regions in the world. The company is known for combining traditional craftsmanship with modern materials and innovative design. Fox produces a wide range of knives for everyday use, outdoor activities, and professional applications, including models developed for military and law enforcement.

FAQ

Is the Fox KITA suitable for everyday carry (EDC)? reversible pocket clip, the KITA is well suited for everyday carry and general utility tasks.

What are the advantages of Niolox steel? edge retention, toughness and corrosion resistance, making it suitable for everyday use knives.

What is the difference between the standard and all-black versions? Idroglider hardware, while the all-black version has a Black Top Shield® coated blade and black Idroglider hardware.

Can the pocket clip be changed for left-handed carry? left or right-handed pocket carry.

Glossary

- **Niolox steel:** A high-performance stainless tool steel known for good edge retention, corrosion resistance and durability.
- **FRN®:** Fiberglass Reinforced Nylon, a lightweight and durable composite material commonly used for knife handles.
- **Stonewashed finish:** A blade finishing process that creates a matte surface and helps hide small scratches from use.
- **Black Top Shield®:** A protective blade coating designed to increase corrosion resistance and reduce light reflections.

GPSR Safety Information

This product contains a sharp cutting edge. Handle with care and keep out of reach of children. Use the knife only for its intended purpose. Always store and transport the knife safely to prevent injury.
