Description

Haspro Office are earplugs for the office noise, for anyone who needs mute during the long hours in the office. Open space is an increasingly popular form work in offices. Profitable for employers, but unfortunately it is not the best solution for employees. No doubt that hardly anyone is able to work effectively with a whole bunch of stimuli around which they cannot cut themselves off. However, we have found the perfect solution that will definitely work for you!

HOW TO REDUCE NOISE IN THE OFFICE?

Very simple - use the the best earplugs for office work - Haspro Office. Earplugs are designed to provide maximum attenuation of distracting office noise. If you feel that you stress level is getting higher, distraction is taking place and you feel exhausted after work, this may be the reason of working in a noisy enviroment. Phone calls, loud colleagues, the sound of keyboards, radio ... all this can have very negative effects, both on your hearing and well-being. Haspro earplugs have a special acoustic filter, thanks to which the noise will be eliminated and you will be able to work calmly. However you will be still able to hear audible alarms e.g. your

ORDER CONFIRMATION

Being in high level of noise for a long time can negatively affect our mood, concentration and our effectiveness. The longer we are in excessive noise, the faster we feel fatigue, which turns into pain and dizziness and can even lead to health problems such as damage to health in the form of damage to the organ of hearing.

In accordance with art. 38 of the Act on Consumer Rights, the product mentioned above is not returnable for hygienic reasons if the packaging was opened after delivery and the product was used.

Made in Poland.
