FAQ

Is this cap suitable for very cold weather? Down to -25°C and provides effective wind protection thanks to its Windblocker membrane.

Does the cap protect against rain and snow? due to the softshell fabric and Teflon coating, but it is not a fully waterproof cap.

Can I use earmuffs or hearing protection with this cap? Hearing protection, and other winter headgear.

Are Velcro patches included? Made for customization, but patches and flags are sold separately.

Glossary

- **Shark Skin Softshell:** Durable, wind-resistant fabric designed for outdoor and tactical use
- **Windblocker:** Membrane that reduces wind penetration and heat loss
- **Teflon Coating:** Surface treatment improving resistance to moisture and dirt
- **Baseball Cap:** Cap with a visor, commonly used for sun and eye protection
