Description

Womens Cumulus Jacket is a new version of our truly universal outdoor fleece, dedicated specially for females. Anatomical cut, a bit narrower in the waist, will better fit the female body shape, providing perfect warmth and breathability. While the jacket has the same pocket pattern as the classic Cumulus jacket, its details were redesigned to look better on womens body, e.g. the large zippers on pockets were exchanged for the smaller, more discreet ones.

Features:

- Main two-way YKK® zipper with chin guard
- Two external zippered pockets on jackets bottom
- Two zippered bicep pockets
- Loop panel for personalization
- Hood with visor
- Elastic cuffs
- Reinforcements on shoulders and elbows
- Mesh in armpits
- Elastic adjustment on the jackets bottom
- YKK® zippers
