Description

Urban Training Bag was created as a large, soft bag for a gym, it turned out to be a perfect travel bag. We soon noticed that it could be a little bit too small and too soft for longer trips. We decided to create the Enlarged Urban Training Bag. It has a large zippered main compartment, two zippered pockets on the shorter sides, and one flat zippered pocket on longer side. The bag is equipped with comfortable, padded shoulder strap, as well as webbing carrying handles. On the sides there are two shorter drag handles that can come in handy when you need to take the bag out of the car's trunk. The bag can be folded to one of its side pockets that assist in storage of it.

Features:

- Made of Cordura®
- Comfortable, padded shoulder strap
- Heavy duty carrying handles
- Four carry handles
- YKK® zippers
