Description

The M65 is traditional Nam era design used by the U.S. Army since early 1970's. The construction of M65 clothing system evolved from previous M-series and it is based on on-the-ground experience of U.S. Army warfighters. Straight cut and pocket placement established a particular style and trend of military jackets for decades to come. The M65 is a heavy-duty parka for army lovers and demanding users. Cold weather liner included.
