Description

PATHFINDER Canteen Cup with Lid is designed for quick and convenient preparation of drinking water during a camping trip. Durable stainless steel allows you to boil water and heat meals directly on a camp stove, and the lid included in the set helps to maintain the temperature inside the cup. Thanks to the foldable handle, we can safely operate the cup, avoiding burns.

Pathfinder products are designed by Helikon-Tex Bushcraft Line Ambassador - Dave Canterbury. His many years of experience as a survival expert and trainer at Pathfinder School in Ohio, USA, resulted in a wide range of products made for the most demanding users.
