## Description

The SFU™ Series is one of our classics. Special Forces Uniform™ would excel wherever requirement for ease of movement is combined with a well thought-out kit bearing system. The SFU™ NEXT® Shirt combines the traditional cut with practical, modern solutions. Straight collar, button closure, six pockets with velcro-closed flaps to protect the contents from dirt and water: these are SFU™ NEXT® Shirt's main features. The breast and upper sleeve pockets are oblique to enhance accessibility. Buttons are hidden with a flap, so they won't snag on anything. Reinforced, profiled elbows with Low Profile Protecting Pads pockets inside protect the users arms while shooting prone or crawling. The SFU™ NEXT® Shirt is a universal solution for all uniformed services and civilian enthusiasts.
