It features quick-drying synthetic materials and a light 60 g/m2 filling, making it ideal for situations where a winter jacket is too much, but a windbreaker or anorak isn't enough. The shirt boasts a total of seven pockets. Inside, there are two spacious pockets for a hat and gloves. Externally, it has two chest pockets, two hand pockets, and one flat pocket for small items. Reinforced shoulders protect the shirt from abrasion and moisture. The snap closure is convenient and enhances the shirt's timeless look.
