Description

Women's version of a lightweight, insulated Wolfhound jacket with a hood. Thanks to the protective DWR layer, it protects against light rain. The Climashield® Apex™ insulation, however, ensures thermal comfort even if the jacket gets wet. What's more, the nylon fabric with a dense weave increases wind resistance. The elastic hem at the bottom of the jacket, at the mock-ups and on the edge of the hood also increases comfort. The hip pockets are lined with a light fleece that protects your hands against cold. Zippered chest pockets accommodate documents and small items. Wolfhound will work as a main jacket or as an additional insulating layer in combination with a thicker outer jacket.

Features:

- Climashield® Apex™ (67 g/m²) padding
- Padded hood
- Lightweight and easy compressable
- Two external zippered pockets on jackets bottom
- Zippered inner pocket
- Elastic cuffs
- External zippered chest pocket
- YKK® zippers

Weight [g]	333		
Material	Outside	material	100%
	Nylon/Insulation 100% Polyester
