Description

Highlander Trousler Twists - Blousing Bands (2 pairs)

The **Highlander Trousler Twists** are elasticated bands with metal hooks designed to secure the hem of trousers around boots. Commonly known as **blousing bands** or **twisties**, they are widely used in military, cadet and outdoor environments.

They provide a clean, professional appearance while preventing dirt, debris and insects from entering footwear during field use.

Key Features

- **Elasticated cord** for secure and comfortable fit
- **Durable steel hooks** for reliable fastening
- **Double twisted design** for improved hold

- Quick and easy to use
- Set of 2 pairs (4 bands)

Function and Use

Trouser twists are worn around the ankle area, over the boot. The trouser hem is then tucked over the band, creating a tight seal and a neat, cuffed appearance.

They are particularly useful in field conditions where protection from dirt, mud and insects is important, while also maintaining a tidy and professional look.

How to Use

- Wrap the band around the top of your boot, just above the ankle
- Connect the metal hooks to secure the band
- Tuck the trouser hem under the band for a clean finish

Applications

- Military and cadet uniforms
- Outdoor and bushcraft use
- Hiking and trekking
- Workwear and field operations
