Description

Rite in the Rain Tactical All-Weather Pen

The **Rite in the Rain Tactical All-Weather Pen** is built for real field conditions where a regular pen fails. It writes reliably on **wet paper**, works at **any angle (even upside down)**, and keeps performing when exposed to water, sweat, grease or mud. The pen uses a **pressurized ink cartridge** designed to work in extreme temperatures without leaking or evaporating.

Aim of the Product

Designed for dependable writing in harsh environments: rain, snow, mud, heat or cold. Ideal for notes, checklists, navigation logs, or documentation outdoors, on duty, or in industrial settings.

Key Features

- Writes on wet paper and in very damp conditions
- Writes at any angle, including upside down
- Pressurized cartridge performs in extreme temperatures and resists leaking/evaporation
- Permanent ink writes through water, sweat, grease and mud without clumping or smearing
- Metal clicker pen with pocket clip for secure carry
- Refills available
