## Description

Product made for cutting disposable plastic restraints.

It is not heavy (16 g.) and its ergonomic grip makes it easy to use.

Outstandingly hard razor as well as grip construction ensure easy cutting even when little force is used. At the same time it is very safe because all sharp parts are isolated. In 2011 the Military Centre for

Standardization, Quality and Codification provided us with NATO Commercial and Government Entity Code NCAGE: 2034H. We were given a NATO Stock Number - NSN - for our ratched handcuffs.

NO.	NSN	Name	NCAEG	Ref. no.
